DIGITAL PROPULSION is here

Consumers can get a free ENERGY SYSTEM SERVER for a limited time only by doing a referral!

SKYTOLL is actively recruiting the Law Enforcement Community nationwide to introduce **ARMORED VEHICLES** that operate off of **DIGITAL PROPULSION**. NO Fossil Fuels----period See **EXECUTIVE ORDER 13514**.

A referral can also be given to any Trucking Company, Industrial, Commercial or Farming Industry to obtain a free system. The business you referred must actively register with **SKYTOLL** for a **qualified** Energy System Server.

The Representative that does the referral will get the basic Energy System Server. This offer is limited and subject to market conditions and the SALE of **SKYTOLL** to a buyer to manufacture the Energy System Servers. **SKYTOLL** cannot be liable for poor market conditions and makes no claim therein. The person doing the referral must be 18 years of age.
